

Dear colleagues,

The executive of Delhi State Chapter (DSC) is making efforts to bring improvements for the Association and its members

One of the initiatives which we have taken is Professional Indemnity Insurance for our colleagues.

We all agree Surgeons are liable for Medico legal cases. In this era we require Insurance of sufficient amount to safeguard us.

We have negotiated with insurance companies and have been able arrange a special deal for all of us.

We will have to pay Rs 3,450 apx for cover of 50 lakhs (normal rate is Rs. 11-12,000/-)
This policy has to be renewed annually

Any of our surgical colleagues who is a ASI members can avail this facility *
